## EXPERIENCE

EGLAF TECHNOLOGY – Ahmedabad, Gujarat

### (Internship) Web & Mobile Designer | Jul 2023 – Jan 2024

Designed and implemented modern UI/UX for web and mobile apps serving international clients. Ensured 100% responsive designs, improving cross-device compatibility and reducing design defects by 30%. Collaborated with developers to resolve design inconsistencies and optimize workflows.

### Web & Mobile Designer & Developer | Jan 2024 – Jul 2024

Led development and design of responsive web and mobile applications, improving client satisfaction and meeting 100% of delivery deadlines. Built interactive UIs using React and React Native, integrated APIs, and optimized frontend performance, engaging user experience. Mentored 2 team members, improving onboarding efficiency and knowledge transfer.
